

SUPPLEMENT SEMINAR GOLDEN / CO JULY 15TH

Analytical Testing of Pharmaceuticals, Dietary Supplements and Botanicals

PerkinElmer's Seminar is a free meeting focused on quality control and quality assurance for Pharmaceutical, Nutraceuticals, Botanical manufacturers and third-party testing laboratories. Learn about technologies needed to meet compliance of cGMP regulations and new USP chapters on trace metals testing and including 21CFR Compliance. Expand your knowledge of analytical testing regulations and techniques from industry guest speakers and PerkinElmer Product Specialists.
